

BUSINESSES IN THE AGE OF **AI**: NAVIGATING THE NEW DIGITAL ECOSYSTEM

*Special event in Perugia for businesses,
government agencies, and the nonprofit
sector as part of the **24th International
Conference of the Italian Association for
Artificial Intelligence (AlxIA)***

Monday, October 5
2026

3:30 PM – 6:30 PM

Sala dei Notari,
Piazza IV Novembre 1,
Perugia

Attendance at the event
is subject to registration.

The **Italian Association for Artificial Intelligence (AlxIA)**, which has been active since 1988 in promoting AI research and applications, presents the **24th** AlxIA International Conference, to be held at the University of Perugia from **October 6 to 9, 2026**.

An unmissable event for researchers, professionals, and companies, featuring scientific presentations on the main areas of **AI**: machine learning, natural language processing, robotics, generative AI, computer vision, ethics, and much more.

The event *"Businesses in the Age of AI: Navigating the New Digital Ecosystem"* offers a unique opportunity for companies, public administrations, and the third sector to share experiences and discover real-world applications of AI.

Event Schedule

Introductory Session

*The Technological and
Regulatory Landscape
of AI*

Company Presentations

*Real-world experiences,
success stories, and
innovation*
